

GET OUTDOORS! A Wintertime Outdoor Adventure Advent Calendar

From the website: "The entire purpose of 1000 Hours Outside is to attempt to match nature time with screen time. If kids can consume media through screens 1200 hours a year on average then the time is there and at least some of it can and should be shifted towards a more productive and healthy outcome!" For more info on this program, go to their website! For books and materials to create your own outdoor adventures, go to your library! www.scottpublib.org
