Scott County Public Library 1 on 1 Computer Appointments

The Scott County Public Library offers 1 on 1 appointments to the public as a scheduled service. These appointments are pre-scheduled 30 to 60 minute time slots for computer questions that are too involved to be answered on a drop-in basis. Please call 502.863.3566 or sign up at the Technology Desk for a future appointment.

Services offered:

- **How to use MS Word**
- **How to use MS PowerPoint**
- **How to use MS Publisher**
- **How to use MS Excel**
- **PC Basics (Windows 101)**
- **How to use email or online storage**

Services not offered:

- *How to use a cell phone (except as an e-reader)*
- *Typing up a letter or paper*
- *Creating a presentation or flyer*
- *Creating formulas or spreadsheets*
- *Recover passwords for online accounts*
- *Moving data from device to device or configuration changes to any device*
- *Virus Removal*
